Year 3 AUTUMN review newsletter

Settling in:

We are looking forward to welcoming the children back to Year 3 for a wonderful autumn term! We will spend time settling into our new routines, building friendships and growing in confidence as we get to know one another. There will be lots of exciting and fun learning opportunities both in the classroom and within the wider community, helping the children to develop their independence and enjoy all that Year 3 has to offer.

Autumn Term 1 Learning Highlights:

We began the term with our first model text, Kassim and the Greedy Dragon, where the children focused on writing a warning tale with a setting descriptions. The children also enjoyed their first Year 3 school trip to the Geeta Bhavan Hindu Temple in Loughborough, which they thoroughly enjoyed. The trip included conker picking, a picnic in the park, and learning more about Hindu culture.

This term, Year 3 explored Ancient Egypt in History, learning about the lives of the ancient Egyptians, their beliefs and achievements. In Science, we investigated rocks, exploring different types of rocks, their properties and how fossils are formed.

We ended the term on a high by completing our art unit on sculpture, producing some fantastic clay sculptures of the human form.

Autumn Term 2 Learning Highlights:

During the second half of the autumn term, we will enjoy writing diary entries based on a mad scientist theme. This will be especially exciting for the class, as we will take part in a science morning with Scientist Edden, where we will have great fun creating our own lava lamps.

In Geography, we will explore what it is like to live in London, identifying key landmarks and learning about the city's human and physical features. In Science, we will learn about animals, including humans, exploring the different parts of the digestive system and how our bodies digest food.

We will end the autumn term on a wonderful note, with Year 3 putting on a fantastic performance in our nativity, Lights, Camel, Action!. We are sure they will be absolute superstars, and we cannot wait to see them shine!
